**Jean Paul IZQUIERDO**

*«Creator and manager of **META MORPHOZ**, I have over 20 years experience in interior design.»*

**ECO MORPHOZ,**  
for responsible consumption

- Optimisation of design and manufacturing
- Modular exhibits
- Design and manufacture of furniture in variable developments
- Use of materials and environmentally friendly, recyclable or relates to eco responsible
- Reduced transport (sub-contracting to local), the number of stakeholders and intermediaries.

**« We do not inherit the Earth from our parents,  
we borrow it from our children. »**

*Antoine de Saint-Exupéry*

Throughout the creative process and realization of your projects (exhibit, sales office, oneshot) ECO DESIGN approach and taking into account environmental protection are possible, while maintaining aesthetics, efficiency, safety and comfort your customers and a cost to suit your needs.

There is no forward planning because we are in the operational and META MORPHOZ assumes its role in this process.
